

said control means causes said electronic mail means to receive a new electronic mail [by said electronic mail means] and automatically to display the summary thereof along with the television picture on said display means.

--4. (Amended) The television receiver according to claim 1, wherein

A1  
said control means controls [the operation of] said superimposing means so that the summary of an electronic mail extracted by said summary extraction means [will be] is scroll-displayed on said display means.

--5. (Amended) The television receiver according to claim 1, wherein

said control means accepts a command for displaying the electronic mail on an entire screen of said display means and to control [the operation of] said superimposing means so that the electronic mail received by said electronic mail means will be displayed on the entire screen of said display means.--

#### REMARKS

Claims 1-5 remain in the application and have been amended hereby.

As will be noted from the Declaration, Applicants are citizens and residents of Japan and this application originated there.

Accordingly, the amendments made to the specification are provided to place the application in idiomatic English, and the claims are amended to place them in better condition for examination.

An early and favorable examination on the merits is earnestly solicited.

Respectfully submitted,

COOPER & DUNHAM LLP
